Features & Specifications

Construction

Constructed with a full cutoff die cast aluminum housing. A tempered clear glass lens protects the optical system. Gasketed side hinge door for a weatherproof seal. Stainless steel hardware.

Optical System

Made for higher mounting heights ranging from 18' to 25'. Two piece pinged aluminum reflector. Tempered glass lens. Meets Dark Sky requirements for full cutoff fixtures.

Electrical System

Provided with a mogul base 4KV pulse rated socket. Fixtures are available with up to 400W Metal Halide and 400W High Pressure Sodium, light sources. Wall Packs come with an option of Multi-Tap (120V, 208V, 240V, 277V) or 480V high power factor ballasts.

Mounting

Built in template for mounting to electrical boxes. Threaded 1/2" NPT knockouts provided on the side and rear of fixture.

Finish

A Super Durable Polyester powder coat finish is electrostatically applied. Standard colors available: Black, Bronze, White, OD Green, US Green. Custom colors available upon request.
