Features & Specifications

Application

Wall/Vanity fixtures are useful for illuminating corridors, stairwells, lavatories, dressing rooms, patient rooms also for utility/area and task lighting.

Features

Optimized for T8 or T5 lamp performance. Premium housing crimped along sides for extra rigidity and straight alignment. A variety of end cap size and finish combinations are available. Diffuser options consist of solid white, ribbed clear, and ribbed white.

Construction

Fixture housing, lamp holder brackets, end sections and channel are constructed of heavy gauge die-formed steel.

Electrical System

ETL listed. Suitable for damp locations. Ballasts are solid-state electronic. Ballasts and lamp holders are replaceable without removing from wall.

Finish

All reflective surfaces are finished with a high reflectance, lighting fixture white polyester powder.

WVE SERIES

WALL/VANITY WITH END CAPS
