FEATURES & SPECIFICATIONS

Brass Small Rectangular Flood

SRF-BR SERIES

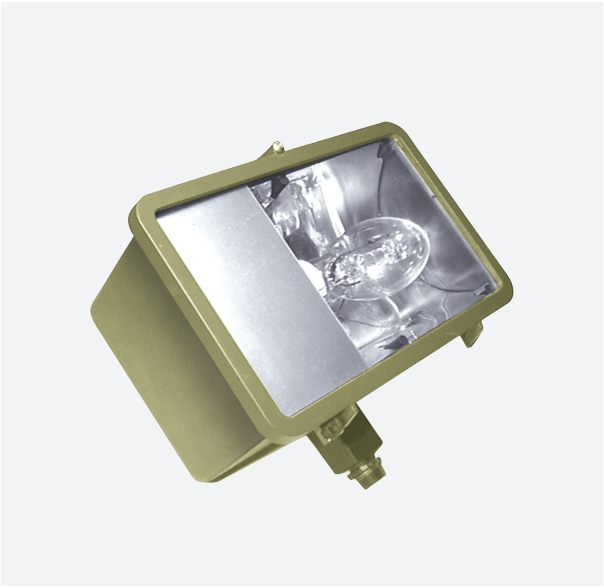
APPLICATION — The SRF-BR Flood Light is a compact HID light ideal for site, display, landscape, and general security lighting. Designed specifically for lighting small trees with medium canopies. The brass housing makes this fixture ideal for harsh or coastal environments. A number of shielding options are available for customized effects.

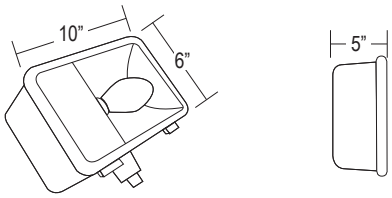
CONSTRUCTION — The housing and door frame are constructed of die cast brass. The flat tempered glass lens is sealed in place and a door gasket is provided for weather tight protection. ETL listed for wet locations.

FINISH — A Super Durable Polyester powder coat finish is electrostatically applied in our state of the art paint facility. Standard colors available: Black, Bronze, US Green, White. Custom colors available upon request.

ELECTRICAL SYSTEM — Available in 50W thru 100W pulse-start metal halide, high pressure sodium and mercury vapor. Comes standard with a 4KV pulse rated medium base socket. Each 60HZ CWA Multi-Tap[1] or 480V ballast is pre-wired and installed for convenience.

MOUNTING — Standard mounting option available is a ½" threaded knuckle mount. Additional mounting options may be available for custom applications.





Series	Housing Height	Length & Width
SRF-BR	6"	5" x 10"

ORDERING INFORMATION

Example: **SRF-BRH-BZ**

Choose the bold face options for the appropriate luminaire configuration for your application and enter on the line above each fixture attribute. Accessories may be factory installed, depending on the particular accessory chosen, but still be ordered as a separate line item.
